Mr. Walter L. Pforzheimer
General Counsel
Room 223

Dear Walter:

In hearings on Air Force appropriations bill, questions were asked concerning A-2 relations with CIA. Have you anything on this?

Cordially,

1st Endorsement - 3 March 1949

The Armed Services House Appropriations hearings have not yet been concluded. I was told yesterday that there is no date certain as to when they will be concluded. When they have been completed, the full transcript will be published and may contain the information which you are here seeking. Previous experience has indicated, however, that when the Committee enters discussions of intelligence in any detail they are off-the-record and not included in the printed text. Any material that is available, however, will be sent to you as soon as it is published.
